

Hello LIGA members, family and friends! We are less than a week away from our 82nd Anniversary Celebration and Annual Meeting! We have quite a venue in store for you, your family and friends! Along with good food and camaraderie, we will have a Flamenco Dance performance by our own Maria Isabel Villasenor and her fellow dancers! This performance is sure to please as it will be full of romance and passion, an art form that we believe will leave you mesmerized!

The Mission Viejo Country Club does have a simple dress code that we would like to share with all attending. In general the dress is business casual. For men, a collared shirt with slacks (sports jacket if you would like). Ladies apparel should be dressy tops, slacks or dresses. Designer denim is appropriate as long as there are no tears or frays.

Wow, 82 years and still going strong! We thank each and every one of you for your generous service and look forward to sharing some fun and memorable time together.
